Dear Deborah:

We thank the employees at Dynaxys for the very generous donation of school supplies. We are always most appreciative when a new – to us – business steps forward to support the students.

On behalf of the students and their families, we thank you for the donation of much needed school supplies. We have already distributed most of the donated supplies. We were able to serve a record of over 2,500 students through the generosity of so many kind folks. Also, our now in stock supplies are being shipped this month to the Cedar Lane School, so that students with disabilities can develop work skills by packing backpacks for the 2019 cycle.

We are a wealthy county, but 1 in 5 of our public school students receives support from the Federal Free and Reduced Meals program. We are proud to be part of this amazingly caring countywide partnership.

We thank you again for your continued support and advocacy for the program. We hope the students can count on you again next year.

Please pass the word on to all your colleagues who were part of the effort.

Sincerely yours,

Roy and Susan Appletree, Co-Coordinators

*Thank you so
very much for your
efforts*
